LIM Broth

-000

Copan's LBM[®] enrichment broth line enhances sample processing efficiency, featuring a range of enrichment and selective broths tailored for both aerobic and anaerobic bacteria. Each LBM® enrichment broth tube is optimally designed for integration with WASP[®] Walk-Away Specimen Processor for streamlined specimen processing.

Automation Ready

Copan enrichment and selective broths are designed for seamless compatibility with automated platforms, reducing manual handling and enhancing efficiency in clinical Microbiology workflows.

Safe and Stable Design

The shatterproof plastic tubes are compatible with automated systems and feature a skirted, flat-bottom design that stands securely on benchtops, minimizing spills.

Convenient Storage (Ċ)

Copan enrichment broths are stable

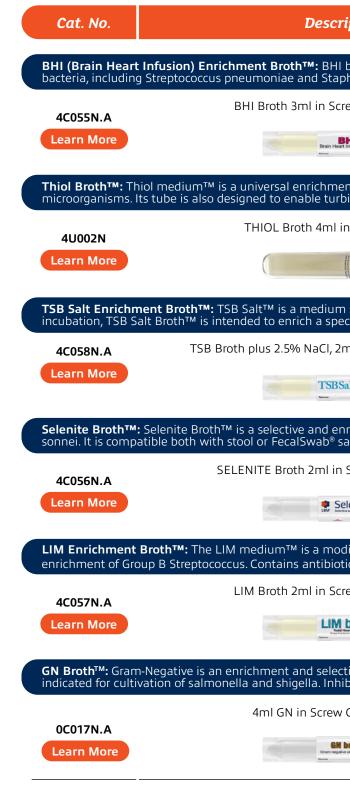

at room temperature, making them easy to store without special temperature controls, simplifying inventory management.

Compliance and Standardization

Fully compliant with ISO 13485-2016 and ISO 9001-2015 standards, these ready-to-use broths require no pretreatment and fit a wide range of laboratory devices, ensuring consistent quality and compatibility.

Select the LBM[®] Enrichment and Selective Broths you need, in bulk packs

All above products are suitable for WASP® automation system. Please contact Copan for additional information.

iption	Pack size
broth™ is a medium specifically intended for fastidious obylococcus aureus.	
rew Cap Tube in Bulk	300 pieces 6 boxes of 50 pieces
ent broth for anaerobic bacteria and obligatory bidity check for fastidious anaerobes after 24h.	
n PET Tube in Bulk	300 pieces 6 boxes of 50 pieces
n specifically intended for the isolation of S. aureus spp. After ecimen suitable for subculture on selective MRSA agar plates.	
ml in Screw Cap Tube in Bulk	300 pieces 6 boxes of 50 pieces
nrichment broth for Salmonella enterica spp and Shigella Samples.	
Screw Cap Tube in Bulk	300 pieces 6 boxes of 50 pieces
dified Todd Hewitt Broth intended for the isolation and tics to inhibit the growth of normal bacteria flora.	
rew Cap Tube in Bulk	300 pieces 6 boxes of 50 pieces
tive broth for enteric Gram-Negative or ibits Gram-positive bacteria.	rganisms, especially
Cap Tube in Bulk	300 pieces 6 boxes of 50 pieces
